Article 1 – Compact

A. Preamble

This AGREEMENT made and entered into between the City of Milwaukie, hereinafter referred to as the CITY, and the Milwaukie Police Employees Association, hereinafter referred to as the ASSOCIATION.

B. Emergencies

Jointly, we recognize that in times of emergency employees will perform best if they know that their families are safe and secure. We will provide reasonable time for employees to contact their family and make necessary arrangement for their families' safety and security, so long as the lives and property of Milwaukie residents are not placed in jeopardy. Off-duty labor or management personnel will do what they can to assist families of on-duty workers as much as possible.

C. Changes

As the CITY grows and changes, employees will be informed in advance of these changes. The CITY will negotiate with labor representatives, other government entities, and management in the spirit of our mutual gains philosophy and the appropriate State laws.

Article 2 – Recognition

A. Classifications

The CITY recognizes the ASSOCIATION as the exclusive bargaining representative for all regular employees working 20 hours or more in the Police Recruit, Property Room Technician, Police Officer, Police Sergeant classifications for the purpose of establishing wages, hours, and conditions of employment. Probationary employees shall be represented by this ASSOCIATION. Specifically excluded are all other employees including supervisors, confidential employees, as defined in ORS 243.650, and temporary employees.

1. New Classifications

When a new classification is established by the CITY and added to the bargaining unit, the CITY will designate the classification and salary rate. The ASSOCIATION shall be notified, in writing, and the salary rate established by the CITY shall be considered tentative until the ASSOCIATION has been given an opportunity to meet and negotiate a salary. If negotiations occur and an impasse is reached, the parties will waive mediation and proceed directly to interest arbitration. In any event, the CITY may implement the new classification at its discretion.

B. Purpose

It is the purpose of this Agreement to maintain individual productivity and quality of services; to provide an orderly procedure for the resolution of grievance; to prevent any interruptions of work and interference with the efficient operation of the Department.

C. Negotiation

The ASSOCIATION recognizes the CITY as the duly elected representative of the people and agrees to negotiate only with the CITY through the negotiating agent or agents officially designated by the CITY to act in its behalf. The ASSOCIATION agrees further that neither it, nor any of its members or agents, will attempt to negotiate privately or individually with any Council member, manager or other person or persons. The CITY agrees that it will not negotiate individually with any members of the bargaining unit concerning the collective bargaining process.

Article 3 – Management Rights

A. Responsibilities

The parties agree that the CITY retains all the customary, usual and exclusive rights, decision-making, prerogatives, functions, and authority connected with or in any way incident to its responsibility to manage the affairs of the CITY or any part of it. Rights of employees in the bargaining unit and the ASSOCIATION are limited to those set forth in the Agreement or provided by Oregon Constitution and Charter of the City of Milwaukie and the CITY retains all prerogatives, functions and rights not subject to the terms of this Agreement. However, the City and the Association are subject to the bargaining obligations of the Public Employees Collective Bargaining Act.

B. Rights

It is recognized that the CITY has and will continue to retain the exclusive right and responsibility to operate and manage the Police Department, its facilities, properties and the activities of its employees, insofar as this right does not conflict with terms of this Agreement. Without limiting the generality of the foregoing, it is expressly recognized that the CITY's operational and managerial responsibility includes:

1. The right to determine the location of the police station and other facilities of the Department, including the right to establish new facilities and to relocate or close old facilities;

3. The determination of the management, supervisory and administrative organization of the Department and the selection of employees for promotion to supervisory, management or administrative positions;
4. The maintenance and control and use of property, facilities and personnel;
5. The determination of safety, health and property protection measures where legal responsibility of the CITY or other governmental unit is involved;
6. The right to enforce the rules and regulations now in effect and to establish new rules and regulations from time to time not in conflict with this Agreement;

7. The determination of the size of the working force, the allocation and assignment of work to employees and the determination of policies affecting the selection of employees;
8. The determination of the layout and equipment to be used and the right to plan, direct and control Department activities;
9. The direction of all working forces in the system, including the right to hire, suspend, discharge or discipline, or transfer employees.

C. Outside Employment

Permission to work at outside employment while an employee of the City of Milwaukee must be approved in writing by the Chief of Police or his designee. Permission may be granted if the outside employment:

3. Does not take preference over extra duty required by CITY employment;

Employees who are not members of the ASSOCIATION shall make payments-in-lieu-of-dues to the ASSOCIATION. Such payments shall be in an amount set by the ASSOCIATION only reflecting its costs of representation.

contribution of an amount of money equivalent to regular ASSOCIATION membership dues to a non-religious charity. The employee shall furnish written proof monthly that this has been done.

4. Any dispute between an employee, the ASSOCIATION or the CITY concerning the amount of the payments in-lieu-of-dues or a religious objection is not subject to the grievance procedure. The ASSOCIATION agrees to indemnify, defend and hold the CITY harmless against any claims made or suits begun against the CITY as a result of this Article.

B. Maintenance of Standards/Existing Conditions

Subject to available funds, all mandatory subjects of bargaining relating to wages, hours and working conditions not specifically mentioned in this Agreement shall be maintained at not less than the level in effect at the time of the signing of this Agreement.

All other disciplinary documents (with the exception of information reflected in performance evaluations), upon request of the employee, shall be removed from the employee's personnel file at the end of three years from the date of the disciplinary action, provided no other disciplinary action has been taken; in which case the documents shall be removed three years from the most recent disciplinary action. Materials in the supervisor's working file shall be removed after the completion of the employee's annual evaluation.
4. Each employee shall be given the opportunity to read and sign any written material of a derogatory nature prior to it being placed in the personnel file.

Article 6 – Non-Discrimination

A. Not Interfere

The CITY will not interfere with or discriminate in respect to any term or condition of employment against any employee covered by this Agreement because of membership and/or activity as required in this Agreement on behalf of the members of this bargaining unit.

B. Apply Equally

The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, sex, marital status, race, color, creed, religion, national origin, mental or physical disability (subject to the individual's ability and qualifications to perform the duty of the classification) political affiliation or any other protected class as designated by Federal or State law or City Policies.

D. Not Apply to Grievance/Arbitration Article

In recognition of the various State and Federal laws and regulations addressing and providing remedies for discrimination, the parties agree that the provisions of this article shall not be subject to the grievance procedure.

E. Gender Reference

All references to employees in this CONTRACT designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

Article 7 – Hours of Work

A. Regular Hours

The regular hours of work each day shall be consecutive except for interruptions for rest periods and lunch periods.

B. Work Week

The workweek shall consist of a seven (7) day work schedule with five (5) consecutive eight (8) hour days, with two (2) days off; four (4) consecutive ten (10) hour days, with three (3) days off; fourteen (14) day work cycle with twelve (12) hour shifts; or any other work schedule mutually agreed to by the CITY and the ASSOCIATION. The preferred schedule under this section for police officers will be four (4) consecutive ten (10) hour days, with three (3) days off, but in no event will this stated preference interfere with or otherwise abrogate the management right to schedule work.

C. Workday

The workday shall consist of an eight (8) hours, ten (10) hours, or twelve (12) hours, including lunch periods, rest periods and training periods. Employees who are relieved from duty for lunch periods shall not have such time included in their workday.

1. 12-Hour Schedule:

(a) Fixed Days Off Schedule

If a 12-hour schedule is implemented for patrol positions, they shall consist of a consecutive 12-hour/8 hour workday with consistent and consecutive work days and days off. For purposes of implementing this schedule, the parties agree to establish a fourteen (14) day tour of duty under Section 7k of the Fair Labor Standards Act. A total of eighty (80) hours will be scheduled for the fourteen (14) day tour of duty.

There will be two shifts assigned to this schedule. A Day Shift and a Night Shift. Day Shift shall be 0600 to 1800 hours followed by Night Shift from 1800 to 0600 hours.

(b) Alternative Schedules

Both parties agree that management has the right to schedule in accordance with the needs of the organization and may opt to change back to a twelve (12) hour schedule from a ten (10) hour or eight (8) hour schedule should the need arise, as long as the members of the MPEA receive a seventy-two (72) hour notice.

(c) Meal/Rest Periods

All employees on a twelve (12) hour shift schedule shall be provided two (2) thirty (30) - minute paid meal periods and two (2) fifteen (15) - minute paid rest periods per shift, to the extent possible and consistent with the operational requirements of the Department. Employees remain subject to call or interruption during all meal and rest periods.

(d) Shift Bidding

- (1) When the department utilizes the twelve (12) hour schedule for the Patrol Division, bidding of shift assignments will be based on bargaining unit seniority except in circumstances where it is necessary to otherwise distribute employees to meet the reasonable operating needs of the department, or assignment to a particular work shift is in the best interests of the department as defined by the Chief of Police. The bidding shall be conducted as follows:
- (2) Shift bidding will begin at least one month prior to the shift change implementation dates. The employee will select what shift they want to be assigned to Night or Day, and work days he/she prefers to work. Officers who are not released for solo work at the time of shift bid will not bid on shifts for that bid period. The City may reserve schedule slots on shifts for those officers.

(e) Team Identification and Scheduling

- (1) The twelve (12) hour schedule consists of one (1) Day Shift and One (1) Night Shift. A schedule will be posted showing a Day Shift and a Night Shift. Days

off will be offset for either shift to provide maximum coverage during times of peak call volume.

- (2) If an employee is reassigned to a different schedule (i.e. from a twelve (12) hour to an eight (8) hour schedule or from an eight (8) hour to a twelve (12) hour schedule), a reasonable attempt will be made to schedule the employee in a manner that will not cause the employee to work more than eighty (80) hours in a fourteen (14) day period.

(f) Forced Work Time

If an employee is scheduled to work a twelve (12) hour schedule, the following will apply:

Members will continue to be compensated for overtime hours as per the Collective Bargaining Agreement, Article 10, Section A through E.

Any Officer who:

- (1) Works over twelve (12) consecutive hours for any approved reason, but not more than fourteen (14) consecutive hours shall return to work at their next regular start time.
- (2) Works between fourteen (14) and seventeen (17) consecutive hours for any approved reason shall report to their supervisor at their next regular shift start time. The supervisor will then determine if the appropriate action is to delay the officer's regular start time to provide for up to ten (10) hours of non-work time between shifts if they would otherwise not have that, or to have the officer continue to work in order to complete a twelve (12) hour shift at that time.
- (3) Works more than seventeen (17) consecutive hours for any approved reason shall report to their supervisor at their next regular shift start time. The supervisor will then determine if the appropriate action is to delay the officer's regular start time to provide for up to ten (10) hours of non-work time between shifts if they would otherwise not have that, or to have the officer continue to work in order to complete a twelve (12) hour shift at that time.
- (4) Is called in for court appearance or other approved reasons which results in working a block of time up to five (5) hours that is not continuous with a regularly scheduled shift shall be required to report to his/her next regularly scheduled shift.
- (5) Is called in for court appearance or other approved reasons which results in working a block of time which exceeds five (5) hours that is not continuous with a regularly scheduled shift shall report to their supervisor at their next regular shift start time. The supervisor will then determine if the appropriate action is to delay the officer's regular start time to provide for up to ten (12) hours of non-work time between shifts if they would otherwise not have that, or to have the officer continue to work in order to complete a twelve (12) hour shift at that time.
- (6) Whenever an officer is authorized to take time off between shifts due to having worked approved overtime the following will apply: The officer will

use accrued leave other than sick leave, or if there is sufficient staffing, the officer, with approval from the on duty supervisor, can reduce hours on the next shift so as not to generate overtime. If after consultation with the supervisor, the officer is deemed by their supervisor to be so tired as to be unsafe to work their regularly scheduled shift due to fatigue, then the supervisor may allow the officer to use sick time to be absent from the next shift or part of that shift. The supervisor shall then call back personnel on an over time basis if staffing levels are below minimum.

(g) Overtime Assignments – Minimum Staffing

- (1) Employees on a twelve (12) hour shift will be paid the employee's regular rate of pay for all regular hours actually worked up to eighty (80) hours during the fourteen (14) day work period. Employees will be paid at the rate of time and one-half for any time worked in excess of eighty (80) hours during the fourteen (14) day work period. Hours actually worked and paid leave time count towards the calculation of overtime hours.
- (2) Employees may not work overtime in excess of their scheduled daily shift hours without pre approval by their supervisor. Without pre approval, employees working in excess of their scheduled daily shift hours will be subject to discipline, up to and including termination.
- (3) While scheduled to work a twelve (12) hour schedule, the overtime language outlined in the Collective Bargaining Agreement, Article 10, shall be followed with the exception that overtime compensation is based on time accumulated in excess of an (eighty) 80-hour pay period.

Note: As stated in several sections of the Collective Bargaining Agreement, The CITY will continue to reserve the right to change established minimums at any time. When a shift falls below the minimum staffing levels, officers who will be called back are officers who are on non-seniority vacation or who have scheduled or who have requested comp time off. If these classifications are exhausted then officers who are on normal days off, but who are assigned to work the same shift shall be called back to duty at an overtime rate. Additionally, the on duty supervisor under the direction of the Chief of Police shall have the discretion to maintain staffing levels at least one officer above minimum staffing if the scheduled time off is not seniority vacation.

- (4) Consideration for time off will be done on a case-by-case basis by the on duty Sergeant based on staffing levels for that day. In making this decision, the on duty Sergeant shall consider the time of day, call load, special events in or around the city that may affect the work load of the remaining officers.

As an example:

If the Night Shift falls below minimum staffing, an officer on non-seniority vacation or comp time will be called back to work. If none of these personnel are available officers on normal days off would be called in to work the shift.

At the time of the shift bidding process, a "Request for Overtime" list will be established. Officers who wish to be called in for overtime opportunities will sign up on this list. When an officer is needed to work on overtime to meet minimum

staffing, the supervisor will use the posted list to fill the vacancy. The most senior person on the list, who falls within the guidelines listed in the example above, will be given the overtime opportunity first. The supervisor will continue down the seniority list. If no one accepts the overtime opportunity, officers will be assigned the overtime by the on duty supervisor, who will take into account seniority along with department staffing needs.

(h) Training Schedule

While assigned to a twelve (12) hour schedule, officers will continue to follow Article 10 Section E in the Collective Bargaining Agreement.

(i) Time Expenditure Rates

The CITY recognizes that an officer on a twelve (12)-hour shift would have to use twelve (12) hours of leave accruals if a day off was taken. The City also recognizes that an officer on a ten (10) hour shift would have to use ten (10) hours of accrued time if a day off was taken. Likewise, an officer assigned to eight (8) hour shifts will have to use eight (8) hours of time if a day off is taken. Officers will continue to accrue Holiday, Vacation, and Sick time as outlined in the Collective Bargaining Agreement.

D. Shift Trades

Per the FLSA, officers will be permitted to trade an assigned workday or shift with another member, as long as the reasonable operating needs of the department are addressed including but not limited to two (2) days advance notice, and the request has the approval of the supervisor or division commander. It is up to the officer's discretion and responsibility to find a substitute and to work out the trade arrangement. The officer originally assigned the shift will receive the compensation for the regular hours of the shift and the officer working the actual hours will receive compensation for any overtime worked.

E. Work Shift

All employees shall be scheduled to work on a regular shift, and each shift shall have a regular starting and quitting time, except for emergency situations.

F. Lunch & Breaks

See sections C:1- c above for employees working a 12-hour shift. Employees on 8 or 10 hours shift schedules shall be provided one (1) thirty (30) – minute paid meal period and two (2) fifteen (15) – minute paid rest periods per shift, to the extent possible and consistent with the operational requirements of the Department. Employees remain subject to call or interruption during all meal and rest periods.

G. Time Off Between Shifts

Regular work shift assignments shall be established with a minimum twelve (12) hours off between shifts.

H. Sign-up

A shift sign-up sheet will be posted in the squad room for sworn personnel for two (2) months before the effective starting date of the new shift. Employees shall be allowed to bid shifts on the basis of seniority pursuant to current practice. Only at regular shift sign

up time will seniority be considered. Employees shall be notified of the permanent schedule thirty (30) days prior to the effective date. Employees shall not be scheduled to work more than eighty (80) hours in the two (2) week period following a shift change without being eligible for overtime as outlined in Article 10. Employees scheduled to work five (5) or more workdays shall have at least one (1) break day scheduled off.

Part-time employees will be scheduled for hours of work by the CITY.

I. Changes in Start/Stop Times

Start/stop times may be adjusted for emergencies or with five days of notice, start/stop times may be adjusted for operating needs.

- (a) Emergency is defined as an unforeseen combination of circumstances calling for immediate action which requires personnel resources. Scheduled changes due to events with advance notice would not be considered emergencies.
- (b) For purposes of this section, the following non-emergencies are not operating needs: court appearances, implied consent hearings, emphasis patrols, adjustments for patrol coverage due to vacation or sick usage (excluding extended leaves for FMLA, worker's comp/light duty greater than two weeks in length).
- (c) If a schedule is adjusted pursuant to this section, the remainder of the employee's work week will be adjusted so that the employee's start time will be within two (2) hours of the adjusted shift, unless the employee desires to return to their original work schedule for the remainder of their work week.

J. Flex-arrangements

Employees may also request a flex schedule. It is up to the Police Chief, or designee, to decide whether to approve the request based on business needs and impact on service delivery and co-workers. The grievance procedures set forth in this agreement shall not apply to flex arrangements.

K. Time Change

In addressing the daylight savings time that occurs twice a year, the following will be implemented.

1. Spring Forward

The employee must work an additional hour to meet the shift requirement or use one hour of CTO, vacation, or fitness/wellness time off.

2. Fall Back

The employee will be compensated for any hours worked over the required hours of the shift.

The employee is then eligible for a merit increase after 6 full months of satisfactory employment in the Police Officer classification and annually thereafter.

An employee hired as a Police Officer shall be eligible to advance to the next step after six (6) full months of satisfactory performance and annually thereafter.

An employee’s performance may be considered unsatisfactory if documented discipline has been placed in their personnel file at City Hall, or the employee has a continuing pattern of performance failures documented in a written performance evaluation. The program will be implemented, at the discretion of the CITY, ensuring that customer service needs are met, minimum staffing needs are met, productivity is maintained, and there is no overtime expense, paid or compensatory time off. Therefore, this bonus program for off-season vacation scheduling is not available when the minimum staffing needs, as determined by the CITY, are unmet and there is overtime cost associated with approving the requested bonus vacation.

The CITY offers eight (8) hours bonus vacation time off with pay for every thirty-two (32) consecutive vacation hours off, taken between December 1 and May 31, excluding the period from December 15 through December 31. If the grievance remains unresolved after Step 3, the ASSOCIATION shall, within fourteen (14) calendar days of receiving the written answer in Step 3, notify the City Manager that arbitration will be invoked.

B. Rules Governing the Grievance Procedures

Rules shall be as follows:

1. Time Limit Waived

Any time limit specified in the grievance procedure may be waived by mutual written consent of both parties.

2. Failure by the CITY

Failure by the City to submit a reply within the time limits specified in the Agreement will automatically move the matter to the next step in the procedure, provided that arbitration shall not be invoked unless and until both parties are fully aware in writing.

3. Failure of Employee

Failure by an employee or ASSOCIATION to submit a grievance in accordance with the time limits specified herein shall constitute abandonment of the grievance.

C. Arbitration

1. Procedure

- (a) After arbitration has been requested, the parties shall forthwith attempt to agree upon a single arbitrator. In the event the parties are unable to agree, a list of nine arbitrators shall be requested from the Employment Relations Board of the State of Oregon. Each party shall alternately strike one name from the list received. The final name remaining shall be the sole arbitrator.
- (b) The arbitrator shall exercise all powers relating to admissibility of evidence, conduct of the hearing and arbitration procedures.
- (c) The arbitrator's decision may provide for the payment of the costs of arbitration by the losing party. In the event the arbitrator doesn't award costs, the arbitrator's costs shall be shared equally by the parties. Each party shall bear the cost of presenting its own case.
- (d) The CITY and ASSOCIATION agree that the arbitrator's decision should be in writing and should be made in thirty (30) days.
- (e) The arbitrator shall have no power to render a decision that will add to, subtract from or alter, change or modify the terms of this Agreement. His authority shall be limited to interpretation or application of the express terms of this Agreement referred to in the ASSOCIATION'S grievance.
- (f) All three levels of the grievance procedure shall have first been exhausted unless the parties invoke Section 2(A) above.

Article 18 – Effect of Personnel and Administrative Policies and Procedures

Articles 16 and 17 of the Agreement contain provisions which conflict with CITY Personnel and Administrative Policies and Procedures. The parties agree that in the case of such conflict the Agreement shall govern and the parties waive any and all rights and remedies granted by the Personnel and Administrative Policies and Procedures. The City will provide the Association with proposed changes to the City's Personnel and Administrative Policies and Procedures, and with proposed changes to the Police Department's General Orders. Pursuant to ORS243.698, the Association may demand to bargain over any proposed changes to mandatory subjects of bargaining, or to any resulting impacts to mandatory subjects of bargaining. The official Police Department General Orders will be maintained as a hard copy.

Article 19 – Savings

Should any article, section, or portion thereof, of this Agreement be held unlawful, invalid or unenforceable by any court of competent jurisdiction, such decision of said court shall apply only to the specific article, section or portion thereof, directly specified in said decision, or should any article, section or portion thereof, of this Agreement be unlawful, unenforceable, or made illegal through state or federal law, the parties agree to negotiate immediately a substitute, if possible, for the invalidated article, section or portion thereof.

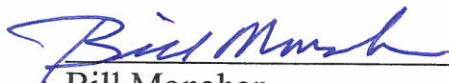

Article 20 – Term of Agreement

This Agreement shall be effective as of the first day of July 2014 and except as modified or amended shall remain in full force and effect until June 30, 2016. This agreement shall remain in full force and effect during the period of negotiations for a successor agreement. This Agreement shall automatically be renewed from year to year thereafter unless either party shall have notified the other in writing by January 1, of the year in which this contract expires that they wish to modify this Agreement.

APPENDIX C: INVESTIGATORY INTERVIEW

In the event of any investigatory interview of an employee which the employee reasonably believes may lead to disciplinary action including written reprimands, suspension without pay, demotion, or termination not to matters of routine supervisory counseling, warnings or oral reprimands, the following should take place:

1. The employee under investigation will be informed of the nature of the investigation prior to any investigatory interview. The employee is not required to answer questions until the employee has been informed of facts reasonably sufficient to inform the employee of the circumstances surrounding the allegations under investigation. If the employer reasonably believes that the potential discipline could be economic or result in a termination, the employee shall be given forty-eight (48) hours notice of the interview along with the information required herein and informed of the date and location of the alleged misconduct.
2. Any investigatory interview of an employee will be at a reasonable hour, preferably when the employee is on duty, unless the exigencies of the investigation dictate otherwise.
3. The interview will take place at a Milwaukie City facility, except when impractical. At the employee's request, the employee may have an Association representative or representative of the employee's choosing present to observe the interview and counsel the employee. The opportunity to consult with an Association representative and have an Association representative present shall not delay the interview more than two hours. The Association representative shall not be a person subject to the same investigation or a witness to the event under investigation. The representative shall not be required to disclose, or be subject to disciplinary action for refusing to disclose statements made by the employee to the representative for purposes of representation.
4. The questioning shall not be overly long, and the employee shall be entitled to such reasonable intermissions as he shall request for personal necessities, meals, telephone calls and rest periods. The employee shall not be threatened with punitive action or subjected to offensive language. No more than two interviewers at a time may question the employee.
5. All interviews are subject to being tape recorded by either the City, employee or Association. Copies of recordings may be obtained by the other party.

6. In the event the employee is subjected to any subsequent interviews, the employee will be provided copies of any written statements or report describing the employee's previous statement. Such report or statement must be provided prior to any subsequent interview.
7. Investigations shall be completed within six months from the date of the first interview of the employee unless the time limit is extended as provided for in ORS 236.360 (6).
8. Use of Deadly Force Situations. Employees involved in the use of deadly force shall be advised that they may consult with an Association representative or attorney prior to being required to give an oral or written statement about the use of force. Such right to consult with a representative or with counsel shall not unduly delay the giving of the statement.

"Appendix C" shall not apply to an investigation concerned solely and directly with alleged criminal activities performed by an agency outside of the City, in which case the employee's rights shall be defined by applicable law.

APPENDIX D: SICK LEAVE DONATION PROGRAM

SUBJECT: **Sick Leave Donation Program**

Effective Date: **July 1, 2003**

Purpose

To prevent a loss in income to an employee because of a serious personal or family medical issue.

Scope

Any employee meeting the following criterion is eligible to participate in this program.

1. **Eligible recipient:** To be eligible to receive donated sick leave from other employees, an employee must:
 - a. Have applied for and been approved by the HR Director for a leave of absence due to a serious medical condition under the Family and Medical Leave Act (FMLA).
 - b. Have exhausted his or her own sick leave bank such that the balance in the employee's sick leave bank is zero.
 - c. Have no more than twenty (20) hours of a combination of accrued vacation, administrative, holiday, and fitness/wellness leave. The employee may retain up to sixty (60) hours of comp time.
2. **Eligible donor:** To be eligible to donate sick leave to another employee, an employee must:
 - a. Have a minimum of two hundred fifty (250) hours of sick leave in their own bank after the donation. This minimum level will be prorated for part time employees.
 - b. Donate sick leave in one (1) hour blocks.

Policy

It is the policy of the City of Milwaukie to permit donation of sick leave to employees to prevent a loss in income because of a serious personal or family medical issue. The sick leave transfer program is a voluntary program that allows employees to donate excess sick leave to any employee who experiences a serious health condition that would cause that employee to have a loss in income. The intent of the sick leave donation program is to aid employees with a serious personal or family medical condition, where they otherwise would not have enough leave balances to cover that period of absence from work.

Note: This is to cover a serious health condition of the employee or family member. For these purposes serious health condition and family member will be defined the same as under Family Medical Leave (FMLA).

Guidelines for Use

City employees may not directly or indirectly intimidate, threaten, or coerce any other employee for the purpose of interfering with any right such employee may have with respect to donating, receiving, or using accrued sick leave under this program.

Tax Liability:

The tax liability associated with donated leave will be the responsibility of the recipient, in compliance with IRS Revenue Ruling 90-29. Paid time will be subject to all tax liability associated with regular pay including Federal, State and FICA withholding.

Donor Notification: See attachment for sample announcement

Procedures

1. Application. Eligible recipients may request sick leave transfer by filling out a Sick Leave Transfer Request form, which will include the date the employee qualified under FMLA and the date at which the employee's leave banks will qualify them for transfer as outlined in B.1. If the eligible recipient is not capable of making the request, a personal representative of the eligible recipient may make the request on his or her behalf. This form is submitted to Human Resources.
2. Review. The HR Director will review the application, verify the leave balances and notify the employee of the approval or denial of the request within three (3) business days of receipt. If the application is denied, the reason(s) for the denial will be provided to the applicant in writing.
3. Notification of Donor(s). Within three (3) business days of approving a Sick Leave Transfer request, the HR Director will notify City employees.
4. Donations: Any employee may donate sick leave hours per the requirements outlined under "eligible donor." Donors must submit a signed copy of the donation form.
5. Anonymity. Donors shall remain anonymous.
6. Leave Bank Changes. The Human Resources staff will work with payroll to credit the recipient's bank and reduce the amount of the donor's bank. The HR Director will maintain a file separate from the personnel file with the donated hours information. The hours donated will be multiplied by the donating employee's rate of pay to calculate a total dollar value of the donated leave. That total value of the donated leave will then be divided by the receiving employee's current hourly rate of pay and applied to their accrual bank to cover any time off that would have otherwise been time without pay.
7. Accruals. While an eligible recipient is on leave created through Sick Leave Donation, the recipient will accrue vacation and sick leave as if the recipient were using his or her own leave. The recipient shall use his or her own accrued

leave up to the point of eligibility (20 hours or less of vacation, administrative and fitness/ wellness leave) before using donated sick leave.

8. Unused Leave. If there is more time donated than is needed, the donated time will be returned to the donating employee on a last donated first returned basis.
9. Notification to the recipient. The HR Director or designee will notify the eligible recipient if the amount donated will or will not cover the anticipated leave.

Responsibilities

Human Resources Director:

- Will review the Sick Leave Donation Program each year at the end of the calendar year to ensure that it is used as intended. In its review, the City will examine the number of employees who received Family and Medical Leave; the number of employees who requested sick leave donation; the characteristics of these employees, which may include, but is not limited to protected class status, the number of employees who received donations of leave from donors; and the characteristics of those recipients. The City will also review the program with regards to any liability it has or may pose to the City.
- **Will advise and confer with any employee unions if it proposes changes to this Program on the basis of that review.**
